Valued Early Childhood Partner,

I am excited to share with you an upcoming event that promises to blend community spirit with a dash of competitive fun, all in support of a vital cause. On October 6th, First Impressions in partnership with Mountain Tap Brewery will host our inaugural **Pintwood Derby**, an innovative twist on the classic pine wood derby, with a heartwarming mission to benefit our child care tuition assistance program for working families in Routt County.

Imagine the thrill of designing and racing your very own pinewood derby car, all while enjoying pints of local brews knowing that every turn and cheer supports pint-sized preschoolers in our community. This event isn't just about friendly competition; it's about making a meaningful impact where it's needed most.

There are two key ways you can join us in this endeavor:

As a Participant: Enter as an individual or gather your friends, colleagues, or family members to craft and race a pinewood derby car. Entry fees range from \$100-\$500 and will include car kits and the chance to vie for glory on race day.

As a Sponsor: Your support as a sponsor can take the form of monetary contributions or in-kind donations towards prizes. In return, we will proudly recognize your generosity in our event promotion materials, on social media platforms, and during the event itself through acknowledgments by our MC.

Your participation or sponsorship not only ensures the success of our Pintwood Derby but also directly impacts the lives of young children by providing crucial financial assistance for their early education needs.

We believe that by coming together as a community, we can create lasting change and brighter futures for our youngest learners. Please consider joining us in this exciting venture. Together, let's race towards a future where every child has the opportunity to thrive.
